GAUCHO BBQ

# Welcome to The Ribs

In 2017, a group of friends from Southern Brazil crossed the ocean to Ireland, bringing with them a deep love for their culture and the art of great barbecue.

Gathering around the grill for weekly cookouts, they dreamed of creating a space where the authentic flavors of gaucho barbecue could be celebrated.

After nearly eight years of dedication, The Ribs was born — the first churrascaria in Ireland featuring the iconic slow-cooked beef rib on display.

At The Ribs, every dish embodies the warmth of gaucho hospitality and the unforgettable flavors of a true barbecue experience.
